2520. SHRI P. N. SUKUL: Will the Minister of FINANCE be pleased to state:

(a) whether Government are contemplating to introduce some major financial reforms with a view to facilitating the efforts of the private and public sectors to mobilise the huge resources required for the Eighth Plan; and

Smuggling of Gold

2521. SHRI P. N. SUKUL: Will the Minister of FINANCE be pleased to state:

(a) whether it is a fact that gold smuggling into the country has been increasing during the last three years;

(b) if so, what are the figures of smuggled gold detected during the last three years, year-wise and the quantum of smuggled gold detected during this year so far;

(c) whether it is also a fact that Government are contemplating to liberalise imports of gold by individuals under certain conditions to serve as a disincentive against gold smuggling; and

(d) if so, what are the details of the proposed new import policy in respect of gold?

THE MINISTER OF STATE IN THE DEPARTMENT OF REVENUE IN THE MINISTRY OF FINANCE (SHRI AJIT PANJA): (a) and (b) Since smuggling is a clandestine activity, it is not feasible to estimate the quantity of gold being smuggled into the country at any given time. However, figures of quantity of gold seized by the Customs authorities during the last three calender years which are given in the table below show an upward trend. This need not necessarily be on account of any increase in the smuggling of gold and could be due to more effective anti-smuggling measures :—

Year	Quantity of gold seized (in Kgs.)	(Rs. in crores)
1986	2174	46 66
1987	2255	65.78
1988 (upto 14-11-1988)	4387*	140·33

*Figures is provisional.

(c) and (d) A Committee headed by Shri Rangarajan, Deputy Governor of Reserve Bank of India had been set up by the Government to examine the Gold Policy in all its aspects and the Gold (Control) Act.
